Dear Sir:

Re: Contract PO-660

We are returning attached two signed copies of Amendment No. 8 to the subject contract. This amendment extends the period of performance through June 30, 1959, and adds an additional \$900,000 for Fiscal Year 1959 operations. We have noted that you indicate these funds are being committed "subject to the availability of the Government's Fiscal Year 1959 funds for this purpose."

Confirming my conversation with you in Washington on June 30, 1958, we wish to advise you that operations are proceeding beyond June 30, 1958 on the above basis as well as our understanding that funds have been budgeted for the purposes of this contract and that it is necessary for you to write the amendment in this fashion only to allow time for the distribution of budget funds to your organization.
